Soft Skills: Communication, Collaboration, Consistency, Leadership, Team Management, Time Management, Discipline
Other skills: Problem solving, Data Structures & Algorithms (DSA), OOP concepts (Object-Oriented Programming), Database Management Systems (DBMS)

PROJECTS

Carbon Footprint Analyzer | [Git Link](#)

- Tools & technologies used: *Python, Flask, TensorFlow, NumPy, HTML, CSS*
- Built a web application using Flask and TensorFlow that estimates carbon emissions from lifestyle data to evaluate environmental impact across transport, electricity consumption and static code analysis.

Steel Defect Detection with YOLOv11 | [Git Link](#)

- Tools & technologies used: *Python, Ultralytics, YOLOv11*
- Trained a YOLOv11-based object detection model achieving 86.8% accuracy overall on the test set to identify and classify 6 categories of steel surface defects, improving manual inspection efficiency

AVL Tree Visualization | [Git link](#)

- Tools & technologies used: *HTML, CSS, JavaScript*
- Engineered an interactive AVL Tree visualization tool to animate insertions, deletions, and rotations in real time, aiding 50+ peers in understanding self-balancing BST concepts

Vriksha | [Git link](#)

- Tools & technologies used: *React JS, MongoDB, Express JS, Node JS.*
- Vriksha is an e-commerce platform built to promote the love for plants and make greenery more accessible to everyone.

CERTIFICATIONS

Java Full Stack Course | *by Smart Mietan Tech Pvt Ltd*

- Completed hands-on front-end and back-end development training, including 2 mini-projects applying full-stack concepts.

POSITION OF RESPONSIBILITY

Technical Coordinator | *BVRIT HYDERABAD College of Engineering for Women*

- Enhanced student participation and engagement by promoting initiatives, organizing contests to foster a competitive and innovative spirit on campus, and effectively coordinating student activities.

Mental Health First Aider | *Mpower - An Initiative of Aditya Birla Education Trust*

- Provided initial support and guidance on mental health concerns, promoted awareness initiatives, and fostered a supportive environment within the community.
